

video

Bare Bones Video - a cinematic, high-definition portrait of your home, set to music, with titles. No narration. 2-4 minutes in length. Branded and unbranded versions.

\$249

Meat & Potatoes Video - a cinematic, high-definition portrait of your home, set to music, with titles. Custom narration (script by you or us). 2-4 minutes in length. Branded and unbranded versions. Rest assured, all of our meat & potatoes videos are grass fed, organic, cage-free and very tasty!

\$299

** Homes over 5,000 square feet add \$100*

photography

Photos shot at the same time as a video - we provide as many photos as necessary to tell the story of your home. All natural light. Touched-up. Sized for online and printing.

\$125

Photos shot alone without a video - same deal as above. We shoot as many photos as it takes to capture the home and deliver them in sizes suitable for online and printing.

\$175

Photo Slideshow - Not doing a video, but want something exciting to upload to MLS, Realtor.com and elsewhere? Order a gorgeous branded and unbranded slideshow!

\$125

** Homes over 5,000 square feet add \$100 ~ First time Realtor clients get a free set of photos w/ video!*

floor plans

We come out to your home, carefully measure the interior, take note of windows, doors, closets and special features and create a simple, clean, beautiful PDF so everyone will better understand how the home is laid out. Unbranded version you can post on MLS and a branded version you can use everywhere else.
